

Your child will be learning English and studying many different topics in my class. I will send home activity sheets and assignments for your child to complete. Sometimes, your child will need your help to complete these assignments.

Your child also will bring home games to play or books to read. You can help by encouraging your child to play the games and read the books to you and to other family members. If you have any questions about these activities, please call me. Thank you.

Sincerely,

Your Child's Teacher
